Defendant.)

ENTRY OF DEFAULT

THIS MATTER comes before the Court on Plaintiff's Motion for Entry of Default. It appears from Plaintiff's application and from the record, including the Court's file, that no person has filed a claim and answer in this matter, and the time for doing so has expired. This motion is therefore **GRANTED**.

IT IS THEREFORE ORDERED that a judgment of default be issued against all persons in the world as to this action.

Signed: July 18, 2006

Graham C. Mullen
United States District Judge
